### **Instructions**

1. Remove items from box/packaging. For a small block set, you should find thirty (30) 2x4x8" pieces. For a large block set, you should find thirty (30) 2x4x8", twenty (20) 2x4x12", and ten (10) 2x4x24" pieces.
2. That's it, they are ready for use!
3. Treated blocks are treated with kid-friendly preservative, but as is the case with all wood facing the elements, it needs to be cared for, so check it periodically for rough spots, splinters, etc, and sand them out, and treat it with kid-friendly wood preservative (we have it available if you can't find it) once or twice a year to keep the wood from deteriorating.
4. Enjoy your Block Set!
