This was a 4,200 SF parking lot in San Diego that we transformed into a beautiful Natural Playground that brings nature close to children in this densely populated city. Plans can easily be tailored to fit any sized space and any sized budget!

Design features in this plan included
• 8 beautiful shade trees
• new hill for rolling down
• embankment slide* with platform*, sit down bar*, rock scramble and crib stair with rope rail*
• large sand play area with retainers*, hand pump*, gold miner's sluiceway*, collection tables*, storage benches*, buried fossils*
• sitting stumps*
• stepping stumps*
• bridge*
• path system with stream bed
• step stone path with flowering shrubs and bird bath*
• large boulders*
• wildflower area
• toddler area with:
• 2 arbor swings*
• pull up bars*
• mirror balls*
